

Proverbs - Topical Studies

Instructions

1. Select one of the topics below.
2. Read and reflect on each of the passages. If you need help understanding them, consult Matthew Henry's concise concordance at:
<http://www.biblestudytools.com/commentaries/matthew-henry-concise/>
3. Distill the main insights taught by these passages.
4. Answer the following questions for these main insights:
 - Which insight arrested your attention the most? Why did it arrest your attention?
 - How would your life be different in a positive way if this insight became part of your life and character?
 - What help does God promise to give you to do this?
 - What steps can you take to practically cooperate with God to do this?
5. Present a 30 minute presentation that answers questions #3 & #4.
